

BENCHMARK LITIGATION CANADA AWARDS 2020

Crawley MacKewn Brush achieves recognition in two categories at Canada's premier litigation awards: Securities Firm of the Year and Robert Brush as Securities Litigator of the Year

Crawley MacKewn Brush logged two wins yesterday, Thursday May 28, 2020 during the Benchmark Canada 2020 awards webinar presentation. The first was for "**Securities Firm of the Year**," an honour the firm has received for its third consecutive year. The firm is the recipient of near-unanimous enthusiastic peer and client review. The firm's bench strength, relative partner youth, intimacy with regulators, and fluency with cutting-edge issues such as cryptocurrency and cannabis, were all referenced as areas in which the Toronto boutique excels.

Name partner **Robert Brush** was singled out as "**Securities Litigator of the Year**." Brush is a peer and client favourite. One client declares, "As an adjudicator for an SRO, I have had the pleasure of observing Robert as counsel for individuals in securities proceedings before the MFDA. He demonstrated strong and effective conflict resolution and negotiation skills, necessary for settlement and contested hearings. In fact, Brush and his team have gone above and beyond to achieve the best results possible for the parties involved. Extensively experienced, accessible, driven, and compassionate are just a few descriptors that come to mind when Brush and his team are thought of."
